Step 7: Project Details for Preventing Introduction and Spread of Pests Through Isolation, Sanitation and Controlling Work Flow (PHIM-OA-D)

1. What commodities are supported by this project? (Check all that apply)

Field Crops, specify number of acres: _____

Greenhouse, specify number of m²: _____

Nurseries and other propagation facilities, specify number of m²: _____

Other, specify commodity type and amount (i.e., acres): _____

2. Select the activity/activities you will complete as part of the project (check all that apply):

Modifications or additions to existing structures to establish an anteroom or header house into high-risk areas such as propagation areas or susceptible crops

Modifications/additions to existing structures to facilitate more efficient movement of plants and people to reduce biosecurity risks

Clearly define zones (e.g., restricted access zone, high-risk area) and access points to these zones using signage, fencing, insect-proof barriers, grading and/or landscaping

Improve efficiency of traffic flow to reduce contamination through establishing new or rerouting existing walkways, laneways, access routes and vehicle turning areas

Install barriers that can be used during times of high-risk if walkways, etc. cannot be re-routed (e.g., drop screens to protect sensitive crops or propagation material if culled or finished material is to pass through the area)

Control access to operation and buildings through gates, fencing, signage, locks, barriers and security monitoring equipment

Construction of a hard surface (e.g., concrete) pad or wash bay/facility for cleaning and disinfecting vehicles and equipment within the controlled access zone (CAZ) or at a controlled access point (CAP)

Installation of sanitation/shower/washer facilities at CAPs or anterooms to higher risk areas as part of a complete transition area for effective biosecurity

Replace interior surfaces (e.g., walls, flooring, dividers) with non-porous washable materials such as concrete, puck board or stainless steel

Installation of specialized cleaning and disinfection equipment (e.g., tractor attachments for barn cleanout, permanent footbaths, equipment to sterilize pots or beds)

Install a treatment system for the purpose of disinfecting or removing pathogens, particulate, crop residue or contaminants from water

Construction of a new structure used only as a quarantine/isolation facility for high-risk stock; or modification of an existing structure for this purpose

Modification of existing structures to create segregation areas for distinct cohorts (e.g., new plant shipments) or between areas of high and low-risk (e.g., propagation vs. production)

Full Name: _____

Emergency elimination of plant or soil materials posing a biosecurity risk to plant health

Build containment area to hold plant material or soil until destruction or movement to a proper waste management facility

Move contaminated plant or soil to proper waste management facility

Implementation of sanitation procedures by an external company or internal costs of purchasing sanitation supplies

3. Is this the first time this practice will be implemented at this location/premises? (Select one option that best describes your proposed project)

The proposed project will be the first time this practice has been implemented at this premise (e.g., no buildings at this location have anterooms)

The proposed project will be the first time this practice has been implemented at this facility (e.g., this building has no anteroom)

The project will expand upon a current practice (e.g., the building has an anteroom, but you are improving it or adding a second anteroom to the same building)

Full Name: _____

Step 7: Request for Innovation Funding

This section is only for applicants who are applying for a project that presents a significant innovation to their sector or Ontario. Innovation funding is available for specific project categories, where identified in the Project Category details found at ontarioprogramguides.net. Innovation funding is available at an increased cost-share level (of up to 50 per cent) for projects that meet the Innovative criteria. See ontarioprogramguides.net for more information.

To be considered for innovation funding, confirm the following and answer all questions:

This project meets the criteria for innovation funding outlined Project Category details at ontarioprogramguides.net

How is your project innovative?

What are the benefits of your project to the sector?

Describe the level of risk associated with your project?

How will sharing knowledge about this innovation help the sector and/or value chain?

How will this project drive competitiveness within the sector?

Declaration, Acknowledgements, Consent and Signature

In order to apply, you must agree to be bound by the Terms and Conditions of Canadian Agricultural Partnership (“the Partnership”) Cost-share Funding for Other Business: Plant Health.

The applicant must be a legal entity that is eligible under the Partnership Cost-share Funding for Other Business: Plant Health. The individual who signs the application form must be a person who is authorized by the applicant to sign the form on behalf of the applicant and to bind the applicant to the contents therein. This person is referred to as “you” below.

You must certify on the application that:

- You have read, understand, and agree to abide by all requirements of the Partnership Cost-share Funding for Other Business: Plant Health. This Guide sets out the Terms and Conditions for the Partnership Cost-share Funding for Other Business: Plant Health, and the Project Category Descriptions.
- All information submitted on the application is true and complete, to the best of your knowledge, belief and understanding.
- All sources of funding for the proposed project, other than the applicant’s, have been disclosed in this application, including sources and amounts from federal, provincial and municipal governments, and such funds do not, and will not exceed 100 per cent of total project costs.
- The applicant does not currently owe any money to Ontario, or you have attached a description of the applicant’s debt to Ontario to this application.
- You are not, nor is any officer, director or employee of the applicant (if any) a current or former federal public office holder or federal public servant, or, if you, or any officer, director or employee of the applicant (if any) are a current or former federal public officer holder or federal public servant, you or that officer, director or employee of the applicant (if any) are in compliance with the **Conflict of Interest Act**, the **Conflict of Interest Code for Members of the House of Commons**, the **Values and Ethics Code for the Public Sector and the Policy on Conflict of Interest and Post-employment**, as applicable.
