

Step 9: Project Details for Establishing Facilities to Manage Deadstock (AHIM-OA-F)

1. This project supports the following species (check all that apply):

Bees

Bovine, specify: _____

Equine

Farmed cervid

Goats

Poultry

Sheep

Swine

Alternative livestock (including fox, rabbit, mink), specify: _____

Other, specify: _____

2. Select the activity/activities you will complete as part of the project (check all that apply):

Purchase or construction of a deadstock and parts thereof management system (e.g., composter, digester, incinerator [subject to regulatory requirements and restrictions], in-ground vessel) and associated runoff management

New construction or modifications to structures or buildings to facilitate the handling, storage, and removal of deadstock, or to securely store deadstock and parts thereof in a manner that prevents access or scavenging by wildlife and vermin

New freezer or cooler systems for the temporary storage of deadstock and parts thereof and of specified risk materials (SRM)

3. Based on the completed risk/operational assessment, specify the risk(s) that this project addresses:

4. Explain how the project addresses the risk(s):

Full Name: _____

5. Was your assessment? (select one):

Self-completed

Completed by a qualified third-party, specify (e.g. licensed veterinarian): _____

6. What is the number of livestock the facility supported by the project accommodates per annum (e.g. the total number of cows, heifers and calves over a year; number of livestock moving through sales facility over a year)? _____

7. How often do you have incoming/outgoing traffic (i.e. movement) at this location/premises? (e.g. feed delivery, veterinarians, visitors, non-farm staff) (select the most appropriate option):

At least once a week

At least once a month

Less than once a month

8. Which practices are you currently doing? (Check all that apply):

Bury

Deadstock collection service

Compost

Incineration

None of the above

9. Indicate which of the following apply to the project (check all that apply):

Deadstock collection service is not available at my location/premises

Project supports on-farm disposal of sheep

Project supports on-farm disposal of goat

Project supports on-farm disposal of bovine

None of the above

10. Is this the first time this practice will be implemented at this location/premises? (Select one):

Yes

No. This project is to modify or build-on existing practices within this location/premises.

Full Name: _____
