

Step 6: Project Details for Establishing Facilities to Manage Deadstock (AHIM-PD-F)

1. This project supports the following species (check all that apply):

Bees

Beef

Dairy/veal

Equine

Farmed cervid

Goats

Poultry

Sheep

Swine

Alternative livestock (including fox, rabbit, mink, bison), specify: _____

Other, specify: _____

2. Select the activity/activities you will complete as part of the project (check all that apply):

Purchase or construction of a deadstock management system (e.g., composter, digester, incinerator) and associated runoff management

Construction or modifications to structures or buildings to facilitate the handling, storage, and removal of deadstock, or to securely store deadstock in a manner that prevents access or scavenging by wildlife and vermin

New freezer or cooler systems for the temporary storage of deadstock

3. You must complete and attach a farm-wide assessment against National Biosecurity Standards to apply to this category. Based on your completed assessment, specify the animal health risk(s) that this project addresses (reference the specific gaps identified in your assessment):

4. Explain how the project addresses the animal health risk(s) (i.e., gaps) identified in your assessment:

Full Name: _____

FBRN: _____

AHIM-PD-F

5. Who completed your assessment? (Select one)

Self-completed

Qualified third-party, specify (e.g., licensed veterinarian): _____

6. What is the number of livestock the facility supported by the project accommodates per annum (e.g., the total number of cows, heifers and calves over a year)? _____

7. How often do you have incoming/outgoing traffic at this location/premises? (e.g., feed delivery, veterinarians, visitors, non-farm staff) (Select one)

At least once a week

At least once a month

Less than once a month

8. Which practices are you currently using to address deadstock? (Check all that apply)

Bury (not including composting)

Deadstock collection service

Compost in a designated compost system

Incineration

None of the above

9. The following apply (check all that apply):

Deadstock collection service is not available at my location/premises

Project supports on-farm disposal of sheep

Project supports on-farm disposal of goat

Project supports on-farm disposal of bovine

None of the above

10. Is this the first time this practice will be implemented at this location/premises? (Select one)

Yes

No, this project is to modify or build on existing practices at this location/premises (e.g., modifications to prevent wildlife access or adding an additional composting unit at the same location/premises)

Full Name: _____ **FBRN:** _____
