

Step 9: Project Details for Market Products in Canada (EMIM-PR-B)

1. Select the activity/activities you will complete as part of the project (check all that apply):

Implementation of business/marketing plan to expand/maintain domestic market access, or access new market, including:

Brand development

Focus group/consumer studies

In-market product demonstrations

Promotional material development

Product introductory campaigns for domestic markets

Sales, marketing, and/or promotional activities

Specially produced product samples (not from normal production) for market research, tradeshow, and/or specific events

Packaging design

Shipping tradeshow product samples not intended for resale

2. Which of the following applies to the applicant business (select one):

A processor that manufactures products in a facility with fewer than 200 employees

Specify number of employees located at the facility: _____

An owner of an established brand or intellectual property that does not meet processor eligibility criteria but is located in Ontario, and has an agreement or arrangement for the transformation of their product(s) in Ontario

A new processor business (new entrant) that:

- Constitutes a legal person
- Is new to the food and agri-product processing industry and has business projections that demonstrate potential annual gross business income of \$30,000 or more within three years of applying
- Files personal income taxes in Ontario
- Has not filed taxes of \$30,000 or more in annual gross business revenue as a food or agri-product processing business in the two years prior to applying for funding
- Has a valid Premises Identification (PID) Number (if a processing facility is established)

Full Name: _____
